

## Panel Discussions: Q&A with Memphis Employers

- Tell me about your journey. How did you get into this work?
  - Major, School, First jobs, etc.
- Did you have any internships in college, if so what did they teach you?
- How did you determine you wanted to work in the field you're in currently?
- What are some misconceptions people have about the field of work you're in? What are some stereotypes about your field that may be true?
- What opportunities for growth are there for interns?
- What are some essential qualities for successful interns in your company?
- Tell me about your company culture.
- How can a student work to prepare themselves for an internship?
- Do you have any advice for students who are currently searching for internships?
- What resources does your company provide to interns?
- What is the biggest barrier to entry in your field?
- How can students network through internships and build connections in the future?
- What opportunities exist for full time employment after an internship?
- Why is Memphis a good place to work?
